Triangular file, 200 mm

Brand: WORKPRO

Reference: EDM 21601

The 200mm triangular file is made of SK2 steel, ensuring durability and strength. Its triangular design allows for precise work in hard-to-reach areas. It also features a tricolor, non-slip handle that provides a comfortable and secure grip during use. Ideal for various woodworking and metalworking applications, this tool is essential for achieving quality finishes.

Description

The 200 mm triangular file is an essential tool for professionals and DIY enthusiasts. Made of SK2 steel, this material guarantees high durability and wear resistance, making it an ideal choice for roughing and finishing surfaces. Its triangular design allows access to difficult areas and enables precision work on edges and corners. Additionally, it features a tricolor, non-slip handle that provides a secure and comfortable grip, minimizing fatigue during prolonged use.

- **Size:**200 mm
- **Handle:**Tricolor, non-slip
- **Type:**File
- **Shape:**Triangular
- **Material:**SK2 Steel
- **Use:**Roughing and finishing surfaces
- **Ergonomic Design:**Handle that reduces fatigue
- **Versatility:**Ideal for precision work
- **Durability:**High wear resistance
- **Applications:**Woodworking, metalworking, and crafts

Specifications

EAN	6914280000251
Material	Acero SK2
Measures	200 mm
