Description

The 225g mini carpenter's hammer is an essential tool for any woodworking enthusiast or professional. Made from forged carbon steel, its head has been heat-treated and polished to ensure exceptional durability and strength. This compact design makes it ideal for working in confined spaces, offering precision and control with every strike. Its fiberglass handle is designed to absorb shock and vibration, reducing fatigue during extended use. Furthermore, the textured rubber handle provides a comfortable and secure grip, allowing for optimal handling even under demanding working conditions.

- **Type:**Carpenter's Hammer
- **Features:**Mini
- **Handle:**Fiberglass
- **Material:**Forged Carbon Steel Head
- **Handle:**Textured Rubber
- **Weight:**Head 225 g
