25 mm spring clamp

Brand: WORKPRO

Reference: EDM 21654

The 25mm spring pliers are a versatile and efficient tool. Their tips and handles are coated with PVC to prevent marks and protect delicate surfaces. They offer a secure, non-slip grip, ideal for precise work. The zinc-coated steel spring ensures strength and durability, making it both robust and corrosion-resistant. Perfect for a variety of applications, these pliers combine functionality with gentle handling of sensitive materials.

Description

The 25mm spring-loaded pliers are an essential tool for those seeking precision and care in their work. Designed with PVC-coated tips and handles, these pliers ensure no marks are left on delicate finishes, making them an ideal choice for tasks requiring careful handling. Their high, non-slip grip allows for a firm and secure hold, facilitating work in a variety of applications. The zinc-coated steel spring provides exceptional strength and long-lasting durability, and is also corrosion-resistant, ensuring its performance under demanding conditions.

- **Size:**25 mm
- **Type:**Spring pliers
- **Handle:**Non-slip
- **Features:**PVC-coated tip
- **Features:**Zinc-coated steel spring
- **Use:**Ideal for delicate finishes
- **Strength:**Corrosion-resistant
- **Grip:**High non-slip grip
- **Applications:**Versatile in various projects
- **Durability:**Robust construction

Specifications

EAN	6914280001142
Measures	25 mm
