Description

The 14mm bi-metal hole saw is a versatile, high-quality tool designed to deliver exceptional performance on a wide variety of materials. With a speed range of 400 to 580 rpm, this saw is ideal for making precise cuts in metal, aluminum, plastic, drywall, and wood. Its bi-metal construction, with M3HSS milled teeth, ensures superior durability and increased wear resistance, making it a reliable choice for both professionals and DIY enthusiasts. The 14mm hole saw is perfect for applications requiring clean and efficient cuts, making work easier on construction, repair, and maintenance projects.

- **Type:**Bi-metal hole saw
- **Dimensions:**Ø14 mm
- **Features:**M3HSS milled teeth
- **Application:**Metal, aluminum, plastic, drywall, wood, etc.
- **Maximum RPM:**400 - 580
