Hedge trimmer shears, 58 cm

Brand: WORKPRO

Reference: EDM 21724

These 58cm hedge shears are designed for precise, clean cuts. They feature non-stick 65Mn steel blades, hardened and precision-sharpened. Their low-friction, rust-resistant coating ensures durability. The steel handles include a shock-absorbing system, while the non-slip rubber grips dampen vibrations, providing comfort and control during use. Ideal for garden and shrub maintenance.

Description

The 58cm hedge shears are an essential tool for the care and maintenance of gardens and green spaces. Equipped with non-stick 65Mn steel blades, these shears have been hardened and precision-sharpened, ensuring clean, crisp cuts every time. Their low-friction, rust-resistant coating extends the tool's lifespan, allowing for optimal performance even in adverse conditions. The steel handles, designed with a shock-absorbing system, along with non-slip rubber grips, ensure a secure and comfortable grip, absorbing vibrations during use and reducing hand fatigue.

- **Length:** 58 cm
- **Blade Material:** Hardened 65Mn Steel
- **Blades:** Non-stick and precision-sharpened
- **Coating:** Low friction and rust-resistant
- **Handle:** Steel with rubber-coated grip
- **Features:** Non-slip
- **Shock Absorber:** Integrated into the handle for added comfort
- **Use:** Ideal for maintaining hedges and shrubs
- **Design:** Ergonomic facilitates handling
- **Durability:** High resistance and long service life
