Description

The 180mm multi-function scissors are a versatile tool designed to meet a variety of cutting needs at home and on the job. Their stainless steel blades feature a non-slip serrated edge, ensuring precise and safe cutting of different materials. The integrated wire stripping slot allows for efficient electrician's tasks, making it easy to strip cables without the need for additional tools. The bi-material rubber handle provides a comfortable and secure grip, reducing fatigue during prolonged use.
