Description

The Climax 9-P hearing protector has been specifically designed to offer optimal protection against prolonged exposure to high noise levels, complying with EN 352-1:2020. This device is ideal for work environments where noise can be harmful to the user's hearing health. Its design includes an adjustable headband that ensures a comfortable and secure fit, allowing for extended use without discomfort. The technology used in its manufacture ensures effective noise reduction, contributing to a safer and healthier work environment.

- **Type:**Hearing protection
- **Standard:**EN 352-1:2020
- **Features:**Adjustable headband
- **Noise reduction:**High effectiveness in noisy environments
- **Comfort:**Ergonomic design for extended wear
- **Material:**High-quality and durable components
- **Recommended use:**Industry, construction, and other noisy environments
- **Maintenance:**Easy cleaning and care
- **Color:**Available in various colors
- **Certification:**Meets hearing safety standards
