Description

The 350cc round cardboard container with lid is a practical and eco-friendly solution for storing and transporting food. Made from biodegradable cardboard, this container not only meets preservation needs but also contributes to reducing environmental impact. Its round design and tight-fitting lid ensure the freshness of the contents, while its brown color gives it a natural and attractive appearance. Ideal for restaurants, cafes, or home use, this container is perfect for serving individual portions of salads, desserts, sauces, and more.
