Description

The chopping and serving board with a handle is an essential accessory for any kitchen. With a rectangular design and dimensions of 24 x 23 x 1.8 cm, this board is made of FSC® certified teak wood, a material known for its durability and resistance. Its mineral oil finish not only enhances the wood's natural beauty but also provides additional protection against moisture and wear. The integrated 10 cm handle makes it easy to handle, allowing for comfortable and safe use. Furthermore, its rustic design, complemented by a sisal rope, makes it an attractive piece that can be used for both cutting and serving food.
