

## Product sheet

## Linear halogen lamp r7s, 1000 w, 189 mm

Brand: PATRON

Reference: EDM 35004

The 1000W R7s linear halogen lamp offers 16,500 lumens of brightness and is dimmable to suit different environments. With an estimated lifespan of 2,000 hours, it operates at 220-240V and is compatible with 50/60Hz frequencies. Its compact 189mm design and E energy rating make it an efficient lighting option. Ideal for those seeking versatility and performance.

### Description

The **R7s linear halogen lamp** is an efficient and versatile lighting solution, designed to meet the lighting needs of various environments. With a power of **1000 W** and a brightness of **16500 lm**, this lamp provides bright and clear light, ideal for spaces requiring intense illumination. Its dimmable design allows the light intensity to be adjusted according to the user's preferences, offering flexibility in creating ambiance. With an estimated lifespan of **2000 hours**, this lamp is a durable and reliable option for everyday use.

The lamp operates at a voltage of **220-240 V** and is compatible with **50/60 Hz** frequencies, making it suitable for most electrical installations. Its compact size of **189 mm** facilitates its integration into different luminaires and spaces. Although it belongs to energy class **E**, its high brightness and dimming capability make it a practical option for those seeking efficiency and performance.

- **Power:** 1000 W
- **Cap:** R7s
- **Energy class:** E
- **Voltage:** 220 - 240 V
- **Type:** Linear halogen lamp
- **Dimensions:** 189 mm
- **Brightness:** 16500 lm
- **Estimated lifespan:** 2000 h
- **Dimmable:** Yes

Specifications

|                       |               |
|-----------------------|---------------|
| Cap                   | R7s           |
| Energy classification | E             |
| EAN                   | 5941019828306 |
| Measures              | 189 mm        |
| Power (W)             | 0             |
