Description

The River Trek LED Lantern is the ideal solution for your outdoor adventures, offering powerful illumination and versatility in a compact design. Equipped with 3 x 3W COB LED technology and a 7500K color temperature, this lantern provides four brightness modes: 1200 lm, 900 lm, 600 lm, and 300 lm, allowing you to adjust the intensity to suit your needs. Its IP44-rated waterproof construction ensures reliable performance in various weather conditions, while its up to 8-hour runtime guarantees you'll have enough light for the entire night. With a practical design that includes a hook and a handle, the River Trek Lantern is easy to carry and hang, making it an indispensable companion for camping, hiking, or any outdoor activity.
