Description

The 50mm M10 threaded rod is an essential component for various lighting and construction applications. Made from high-quality steel, this rod offers exceptional strength and durability, making it an ideal choice for use in lamp holders and other projects requiring robust support. Its threaded design allows for easy installation and a secure fit, ensuring the stability of the elements it supports.

- **Size:** 50 mm
- **Color:** Metal
- **Material:** Steel
- **Application:** Lampholder
- **Type:** Threaded Rod
- **Quantity:** 20 units
- **Thread:** M10
- **Resistance:** High durability
- **Installation:** Easy and secure
- **Use:** Ideal for lighting and construction projects

Specifications

Colour	Metal
EAN	8435100534520
Material	Steel
Measures	50 mm
