### Description

The round, clear plastic cable tie is a practical and efficient solution for keeping your cables organized and out of sight. This product is designed with a two-piece system: a base that attaches to the ceiling or wall and a cap that screws onto the base to secure the cable in place. Its discreet and functional design allows for quick and easy installation, ideal for both home and professional environments where aesthetics and tidiness are important. Each box contains five units, providing a convenient option for multiple applications.
