Description

The anti-strain cable plate is an essential accessory designed to protect and extend the lifespan of lamp cables. Made of high-quality plastic, this plate offers an effective solution to prevent wear and damage caused by accidental tugs. Its compact and functional design allows for easy installation, ensuring that cables stay in place and are not compromised by sudden movements. Measuring 0.1 x 4 x 3 cm, it is ideal for use in a variety of applications, especially in environments where cables may be exposed to strain or frequent movement.

- **Type:**Anti-strain plate
- **Color:**White
- **Material:**Plastic
- **Size:**0.1 x 4 x 3 cm
- **Application:**Lamps
- **Protection:**Prevents cable wear and tear
- **Installation:**Quick and easy
- **Durability:**Durable material
- **Compatibility:**Ideal for various types of lamps
- **Design:**Compact and functional

Specifications

Colour	White
EAN	8425998443028
Material	Plástico
Measures	0,1 x 4 x 3 cm
