Description

The 15A 250V recessed double illuminated on/off switch is an efficient and functional lighting control solution for any space. Designed with a sleek black finish, this switch not only fulfills its practical function but also adds a modern touch to the décor. Its integrated red indicator light makes it easy to identify the switch's status, facilitating its use in low-light conditions. With locking dimensions of 25x22x29 mm, it fits most flush-mounted boxes, ensuring quick and easy installation.
