Extra strong correctable adhesive 30g

Brand: SUPERTITE

Reference: EDM 47640

Extra-strong, correctable 30g adhesive, formulated with a cyanoacrylate gel texture. Designed to withstand vibrations and shocks, this adhesive offers gap-filling capabilities and allows for corrections up to 20 seconds after application. It is ideal for jobs requiring precise fit and is compatible with materials such as plastics, leather, ceramics, and wood. Perfect for a variety of applications and uses in craft projects and repairs.

Description

The 30g Extra Strong Correctable Adhesive is an advanced cyanoacrylate-based solution designed to deliver exceptional performance in a variety of applications. Its gel texture allows for easy application and precise control, making it ideal for jobs requiring meticulous fit. This adhesive is able to withstand vibrations and shocks, ensuring a durable and reliable bond. Furthermore, its gap-filling properties allow it to repair and bond different types of materials, such as plastics, leather, ceramics, and wood. One of its most outstanding features is the ability to correct the position of the pieces up to 20 seconds after application, providing flexibility and precision in the work.

- **Type:**Flexible gel adhesive
- **Contents:**30 g
- **Applications and uses:**Leather, wood, Formica, rubber, cork, multi-material
- **Correctable:**Up to 20 seconds after application
- **Resistance:**To vibrations and shocks
- **Grooving capacity:**Yes
- **Texture:**Gel
- **Ideal for:**Precision work
- **Drying:**Fast
- **Application:**Easy and controlled
