Description

The Minnie Mouse Closer Running Plus Backpack is the ideal choice for those seeking functionality and style in their outdoor activities. With a 32-liter capacity, this backpack combines an attractive design with practical features that make it perfect for running and other sports activities. Its structure includes three main compartments that allow for efficient organization of your belongings, as well as two side mesh pockets for quick access to small items. The interior lining features a padded pocket, ideal for protecting electronic devices, and a small zippered pocket for storing valuables. The backpack is made of high-resistance material, guaranteeing durability and resistance to moderate amounts of liquid, ensuring your belongings are protected in various weather conditions. It also includes a USB port for charging devices with a power bank (not included), adding an extra level of convenience for those on the go.
