Description

The 10-pack of dry leads (2B graphite) is a versatile tool designed to deliver optimal performance on a wide variety of surfaces. These water-soluble leads are ideal for use in both dry and wet environments. Their formulation allows them to adhere effectively to smooth or rough surfaces, as well as those that may be dusty or oily. Furthermore, their ability to be easily removed with a damp cloth from smooth surfaces provides a significant advantage in terms of cleaning and maintenance. The lead tips come pre-sharpened, ensuring a precise and smooth writing or drawing experience. The case is sturdy, guaranteeing the protection of the leads and facilitating their transport.

- **Type:**Case
- **Suitable for:**Almost all surfaces
- **Features:**Washable with a damp cloth
- **Contents:**10 leads
- **Features:**Pre-sharpened tips
