Product sheet

# 3/4" Quick Fitting

Brand: VERHAL

Reference: EDM 70064

3/4" quick-connect fitting, ideal for fast and efficient connections in pipe systems. This fitting facilitates assembly and disassembly without the need for additional tools. Its robust design ensures a secure and durable connection, suitable for various applications. Perfect for use in gardening, plumbing, and DIY projects. Make sure you have the right fitting to optimize your pipe system.

## Description

The 3/4" quick-connect fitting is an essential component for piping and connection systems in various industrial and domestic applications. Designed for easy connection and disconnection of hoses and pipes without the need for additional tools, this fitting is distinguished by its robustness and ease of use. Its high-quality construction ensures a long service life and corrosion resistance, making it a reliable choice for conveying liquids and gases. The 3/4" size is ideal for a wide range of applications, from gardening to irrigation systems and machinery. This quick-connect fitting ensures a watertight seal, minimizing the risk of leaks and optimizing system performance.

- **Type:**Quick-connect fitting
- **Size:**3/4"
- **Material:**High quality and corrosion resistant
- **Connection:**Tool-free, easy to use
- **Applications:**Gardening, irrigation, machinery
- **Sealing:**Watertight, minimizes leaks
- **Durability:**Long service life
- **Compatibility:**Ideal for standard piping systems
- **Installation:**Quick and easy
- **Use:**Industrial and domestic

## Specifications
