Description

The 48-meter Flexiled 2-Way Multifunction Tube is a versatile and efficient solution for decorative and functional lighting. With 36 LEDs per meter, this green LED light string offers suitable brightness for various applications, from event decoration to outdoor lighting. Its flexible design allows it to adapt to different shapes and surfaces, facilitating installation in any environment. This product has a thermal resistance ranging from -40°C to 63°C, making it ideal for use in adverse weather conditions. Furthermore, its IP44 rating guarantees adequate protection against the ingress of solid objects and water splashes, ensuring its durability and performance.

- **Type:** Flexilux Tubes - Flexiled - Accessories
- **Color:** Green
- **Length:** 48 m
- **Number of LEDs:** 36 per meter
- **Power:** 1.75 W per meter
- **Protection rating (IP):** IP44
- **Maximum/minimum temperature:** -40°C/63°C
- **Cutting unit:** Every 3 m
- **Cutting instructions:** Always cut the tube at the scissor mark

Specifications

Colour	Green
EAN	8425998727098
Measures	48 m
Protection	IP44
