Description

The Super Ego Easyfire 7/16" Thread Torch R3555300 is a versatile and efficient tool, designed to meet the needs of professionals and hobbyists in a variety of applications. This torch features piezoelectric ignition that ensures a quick and safe start, eliminating the need for matches or additional lighters. Its flame regulator allows you to adjust the flame intensity, providing precise control for every task. It also incorporates a cooling system that ensures optimal performance and extends the device's lifespan.

Compatible with BTP300 butane/propane gas cartridges, the Easyfire Torch includes two 227g gas bottles, making it a practical and ready-to-use option. Its robust and functional design makes it ideal for soldering, cooking, and other applications requiring a portable and reliable heat source.

- **Ignition Type:**Piezoelectric
- **Type:**Torch Easyfire
- **Thread:**7/16"
- **Flame Regulator:**Yes
- **Cooling System:**Yes
- **Compatibility:**BTP300 Butane/Propane Gas Cartridges
- **Gas Bottles:**2 BTP300 Gas Bottles Included
- **Manufacturer Reference:**1000000768
