Description

The 1040ml rectangular airtight borosilicate lunchbox is the ideal solution for storing and transporting food. Made of borosilicate glass, a material known for its heat resistance and durability, this lunchbox is oven, microwave, and dishwasher safe (without the lid). Its rectangular design allows for optimal organization in the refrigerator or backpack, while its airtight seal with a removable silicone gasket ensures food stays fresh and leak-free. This lunchbox is perfect for those looking for a versatile and functional option to take their meals to work, school, or to enjoy at home.
