Description

The Laredo T4 - XL black/grey technical Bermuda shorts are the ideal choice for those seeking comfort and functionality in their clothing. Designed with versatility in mind, these multi-pocket stretch shorts are suitable for a variety of activities, from work to leisure. Their abrasion-resistant construction, made of 90% nylon and 10% spandex, ensures exceptional durability, while the stretch design provides unparalleled freedom of movement. Built-in reflective strips enhance visibility in low-light conditions, making them a safe choice for outdoor activities. Its black and gray color offers a modern and easy-to-match style.
