Description

The Kansas T3 - L lightweight technical pants in black/grey are the ideal choice for those seeking comfort and functionality in their clothing. Designed with a stretch fabric that combines 90% nylon and 10% spandex, these pants offer great freedom of movement, adapting to the demands of various activities. Their design includes multiple pockets, allowing for practical and accessible storage of personal items. In addition, they feature abrasion-resistant knee reinforcements, ensuring greater durability and resistance in demanding conditions. Built-in reflective stripes increase visibility, which is essential for outdoor activities or in low light conditions.
