Description

The Austin T1 - S technical light-shell jacket in navy/blue is the ideal choice for those seeking a versatile and functional garment. Designed to offer wind protection, this jacket features a high-quality fabric composed of 90% nylon and 10% spandex, guaranteeing excellent durability and flexibility. Reinforced sleeves and abrasion-resistant inserts ensure durability and comfort, while reflective strips add an element of safety in low-visibility conditions. Its lightweight and technical design makes it a perfect choice for outdoor activities, whether in the mountains or the city.
