Description

The Austin technical light-shell jacket in black/grey is the ideal choice for those seeking a versatile and functional garment. Designed with a focus on protection and comfort, this windproof jacket is made from a blend of 90% nylon and 10% spandex, providing excellent stretch and durability. Reinforced sleeves and abrasion-resistant inserts ensure superior durability, while reflective strips add an element of safety in low-visibility conditions. Its lightweight, fitted design allows for great freedom of movement, making it the perfect companion for outdoor activities, whether in the mountains or the city.
