Description

The York soft-shell technical jacket in black/grey, size T3 - L, is the ideal choice for those seeking functionality and comfort for outdoor activities. Designed with an outer material combining 93% polyester and 7% elastane, along with a second fabric of 90% nylon and 10% elastane, this jacket offers excellent durability and flexibility. Its interior features a 100% polyester fleece lining that provides warmth and comfort, ideal for cold weather. Reinforced inserts in stress areas ensure durability, while reflective elements increase visibility in low-light conditions. The jacket is equipped with waterproof zippers that protect against water ingress, and its multi-pocket design allows for practical and accessible storage of personal items. The detachable hood adds versatility, allowing it to adapt to different weather conditions. This jacket is perfect for sports activities, excursions or daily use, combining style and functionality.
