Description

The York soft-shell technical jacket in black/grey is the ideal choice for those seeking functionality and comfort in diverse conditions. Designed with a focus on resistance and performance, this jacket features reinforced inserts in stress areas, ensuring durability and support with every movement. Its outer material combines 93% polyester and 7% elastane with 90% nylon and 10% elastane, providing excellent elasticity and resistance to wear. The interior is lined with 100% polyester fleece, offering warmth and comfort in cold weather. The York jacket also incorporates reflective elements that increase visibility in low-light conditions, as well as waterproof zippers that protect against water ingress. Its practical design includes multiple pockets for secure and accessible storage, and a detachable hood that allows it to adapt to different weather conditions.
