Description

The York soft-shell technical jacket in black/grey is the ideal choice for those seeking functionality and comfort for outdoor activities. Designed with a focus on durability, this jacket features reinforced inserts in stress areas, ensuring greater resistance to wear and tear. Its outer material combines 93% polyester and 7% elastane with 90% nylon and 10% elastane, providing excellent elasticity and adaptability to movement. The interior is lined with 100% polyester, offering warmth and comfort in cold weather. The York jacket also includes reflective elements that increase visibility in low-light conditions, as well as waterproof zippers that protect against water ingress. Its practical design is complemented by multiple pockets, ideal for securely carrying personal items. Furthermore, the detachable hood allows it to adapt to different weather conditions, making this jacket a versatile and functional garment.
