Description

The size M fluorescent yellow high-visibility vest is an essential garment for ensuring safety in work environments and outdoor activities. Made from high-quality polyester fabric, this vest stands out for its fluorescent yellow color, which provides excellent visibility in low-light conditions. Equipped with two horizontal retroreflective bands that encircle the chest, this vest ensures the wearer is easily identified, thus increasing safety at work. Its design includes a hook and loop closure, allowing for a comfortable and secure fit.
