Description

Soluvert White Cleaning Stone is a versatile and effective product designed to clean, polish, degrease, and shine various surfaces. Containing 375g, this stone is composed of 99% naturally derived ingredients, including silicas, vegetable oils, and coconut, making it a safe and environmentally friendly choice. Its formula is food-safe, making it ideal for use in the kitchen and other areas where hygiene is paramount. Furthermore, the stone leaves a water-repellent effect on all washable surfaces, protecting them from moisture and facilitating their maintenance.

This product is mildly abrasive, allowing for the effective removal of stains and dirt, although it is recommended to test it on delicate surfaces first.

Soluvert white cleaning stone is suitable for both indoor and outdoor use, making it perfect for cleaning kitchens, bathrooms, patio furniture, swimming pools, garages, and car rims.
