Description

The **Natural Paste Soap Stain Remover 500g**, also known as potassium soap, is an effective and eco-friendly solution for removing tough stains and scuffs from various surfaces. This product is made from **natural vegetable oils**, making it a sustainable alternative to conventional detergents. Its **100% perfume, dye, phosphate, and enzyme-free** formula guarantees safe and environmentally friendly use, ideal for those seeking more natural cleaning products.

The stain remover comes in paste form, making it easy to apply by hand or machine. For hand washing, it is recommended to apply directly to the stain, let it sit, and rinse. For washing machine use, simply add the product directly to the drum. It is important not to leave the product on dry surfaces for extended periods to ensure its effectiveness.
