Description

The IP65 cutting kit for 12mm LED strips is a versatile and efficient solution for lighting projects that require adaptability and durability. This product is designed to facilitate the installation and maintenance of LED strips, ensuring optimal performance in various applications.

- **Compatibility:** Specifically designed for 12mm wide LED strips.
- **IP65 Rating:** Offers protection against dust and water ingress, making it suitable for humid or outdoor environments.
- **Easy Connections:** Allows for easy connection between LED strip segments, simplifying the installation process.
- **Durability:** Manufactured from high-quality materials that ensure a long lifespan and resistance to wear.
- **Versatility:** Can be used in a variety of applications, from decorative to functional lighting in commercial and residential spaces.

Specifications

EAN	8433373091542
Manufacturer	GSC
Weight (kg)	0.0
Protection	IP65
