## Description

The Bell E27 desk lamp in green is a desk lamp designed to offer functional and stylish lighting. Its modern and minimalist design adapts to various environments, from offices to home workspaces, providing adequate light for reading and writing.

- **Bulb type:** E27, compatible with LED, incandescent, and energy-saving bulbs.
- **Material:** Made of metal, ensuring durability and stability.
- **Color:** Green, adding a touch of freshness and originality to the environment.
- **Adjustable height:** Allows you to adjust the arm height to direct the light according to the user's needs.
- **Solid base:** Provides firm support, preventing accidental tipping.
- **Ergonomic design:** Facilitates light direction, improving comfort during use.
- **Dimensions:** Compact, ideal for desks with limited space.

This flexible lamp combines functionality and aesthetics, making it a versatile option for those seeking an efficient and attractive lighting solution.
