Description

The quick-connect kit with a 3/4" diameter lance is an efficient and practical solution for various connection applications in irrigation systems and other installations. Its design allows for a quick and secure connection, facilitating use and handling in demanding work environments.

- **Diameter:** 3/4" (19 mm)
- **Main Material:** Polypropylene (PP), known for its strength and durability.
- **Secondary Material:** ABS, which provides lightness and impact resistance.
- **Main Color:** Green, allowing for easy identification in the work environment.
- **Connection Type:** Quick-connect, designed for easy connection and disconnection without additional tools.

Specifications

Diameter embedment (mm)	19
EAN	8433373087132
Manufacturer	GSC
Material	Polypropylene (PP)
Weight (kg)	0.0
