Description

The professional aluminum utility knife is a tool designed to offer precision and durability for demanding cuts. Its aluminum construction guarantees superior strength, making it a reliable choice for professionals in various industries. This utility knife adapts to different types of materials, facilitating efficient and safe cutting tasks.

- Material: High-quality aluminum, providing lightness and corrosion resistance.
- Total length: 18 cm, offering a manageable size for extended use.
- Interchangeable blade: Compatible with standard 18 mm blades, allowing for easy replacement and maintenance.
- Locking mechanism: Safety system that secures the blade in place during use, minimizing the risk of accidents.
- Ergonomic design: Non-slip handle that provides a comfortable and secure grip, reducing fatigue during prolonged work.
- Versatile use: Effective on a wide range of materials, including cardboard, plastic, and paper, adapting to various applications.

Specifications

Colour	aluminium
EAN	8433373092013
Manufacturer	GSC
Material	Aluminio
Weight (kg)	0.11805555555555555
