100M Roll Shielded Cable 8 conductors

Brand: GSC

Reference: GSC 003902955

100-meter roll of shielded cable with 8 conductors, designed for security, intercom, and sound systems. Made of copper, it complies with fire reaction regulations and is halogen-free, ensuring safe performance in electrical installations in buildings and civil engineering projects.

Description

The 100-meter shielded cable reel with 8 conductors is a versatile and safe solution for various applications in electrical systems. Designed to meet safety and efficiency standards, this cable is suitable for installations in buildings and civil engineering works, ensuring a reliable power supply and minimizing the generation and spread of fire and smoke.

- **Length:** 100 meters
- **Cable type:** H07Z1-K
- **Number of conductors:** 8
- **Conductor material:** Copper
- **Insulation:** 0.7 KV
- **Outer diameter:** 5.1 mm
- **Fire reaction classification:** Cca - s1b, d1, a1
- **Halogen-free:** Yes
- **Applications:** Fire protection systems, security systems (alarms), Intercom (telephony, door entry systems) and sound
- **Power cables:** Includes 2 red-black cables of 0.70 mm² for power and another of 0.20 mm² for connecting equipment

Specifications

EAN	8433373029552
-----	---------------

Manufacturer	GSC
Material	Copper
Weight (kg)	3.79
