

Product sheet

"R" pin 3 x 64 mm.

Brand: WOLFPACK LINEA PROFESIONAL

Reference: AFT 01020500

"R" Pin 3 x 64 mm. Made of galvanized steel, this pin offers hardness and corrosion resistance. Also known as a clevis pin or retaining clip, it is ideal for various applications in mechanics, trailers, agriculture, and construction. Its design ensures a secure and reliable fit in multiple work environments. An essential component for those seeking durability and functionality in their projects.

[View product online](#)**Description**

The 3 x 64 mm "R" pin is an essential component in various industrial and mechanical applications. Made of galvanized steel, this pin offers an optimal combination of hardness and corrosion resistance, making it a reliable choice for demanding environments. Its versatile design allows for use in a wide range of sectors, including mechanics, agriculture, construction, and trailers. It is also known by other names, such as clevis pin, beta pin, or retaining clamp, reflecting its functionality and adaptability.

- **Dimensions:** 3 x 64 mm
- **Material:** Galvanized steel
- **Strength:** High hardness and rust protection
- **Uses:** Mechanical, trailers, agriculture, construction
- **Design:** "R" pin structure for easy installation
- **Versatility:** Suitable for multiple applications
- **Durability:** Long service life under adverse conditions
- **Compatibility:** Fits various fastening systems
- **Maintenance:** Requires low maintenance thanks to its coating
- **Security:** Provides a secure hold firm and reliable

Specifications

High	1
Width	2
EAN	8435231967655
Manufacturer	AFT
Weight (kg)	0.006
Depth	7
