Product sheet

CO Detector, Domestic Use

Brand: MAURER

Reference: AFT 08300605

The CO detector for home use is an essential device for home safety. It operates on three 1.5V batteries and is compatible with 230V/60Hz AC power. It detects carbon monoxide with response times that vary depending on the concentration: 60-90 minutes at 50 ppm, 10-40 minutes at 100 ppm, and 3 minutes at 300 ppm. Its alarm emits 85 decibels at 1 meter and it operates in temperatures from -10°C to +50°C.

Description

The Carbon Monoxide (CO) Detector for home use is an essential device for home safety. Designed to detect the presence of carbon monoxide, this detector offers a fast and effective response to dangerous levels of this colorless and odorless gas. It operates on three 1.5V batteries and is compatible with 230V AC power at 60Hz, ensuring its functionality under various conditions. The unit is capable of detecting carbon monoxide concentrations with different response times, ensuring early warning in risky situations.

- **Function:** Carbon monoxide detector for home use.
- **Power supply:** Operates on 3 x 1.5V batteries and AC 230V/60 Hz.
- **Carbon monoxide density:** 50 ppm (60-90 min), 100 ppm (10-40 min), 300 ppm (3 min).
- **Operating temperature:** -10ºC to +50ºC.
- **Audible alarm:** 85 dB at 1 meter.
- **Use:** Exclusively for home use, not suitable for professional use.
- **Dimensions:** Compact and easy to install.
- **Battery indicator:** Warning light for low battery.
- **Certifications:** Complies with safety regulations.
- **Installation:** Requires wall or flat surface mounting.

Specifications

High	6
Width	17
EAN	8000071961615
Manufacturer	AFT
Weight (kg)	0.326

Depth	24
