Description

The Maurer Vacuum Sealer Plus is an essential food preservation tool, designed to offer optimal vacuum sealing performance. With a power of 140 watts, this machine can vacuum up to 5 liters per minute, achieving a vacuum level of -70 bar. Its compact design, measuring 407 x 166 x 92 mm, makes it easy to store and use in any kitchen.

The Vacuum Sealer Plus combines vacuuming and sealing functions, allowing for the easy packaging of both dry and moist foods. The sealing bar is compatible with vacuum bags up to 30 cm, ensuring efficient sealing in just a few seconds.

In addition, it features LED indicators that facilitate the selection of the appropriate mode for each type of food, whether dry, moist, or simply for sealing.

Among its technical characteristics, the following stand out:

- Power: 140 Watts
- Suction: 5 liters/minute
- Vacuum level: -70 bar
- Dimensions: 407 x 166 x 92 mm
- Compatible with dry and moist foods
- Sealing bar for bags up to 30 cm
- Fast sealing in a few seconds
- LED indicators for different packaging modes
- Integrated cutting device

- Container for bag rolls

It is important to use only vacuum bags designed for this purpose, thus guaranteeing the effectiveness and durability of the packaging.

Specifications

High	21
Width	14
EAN	8000071526043
Manufacturer	AFT
Weight (kg)	2.166
Depth	44
