

Product sheet

"R" pin 4x 76 mm.

Brand: WOLFPACK LINEA PROFESIONAL

Reference: AFT 01020610

"R" pin 4x76 mm, made of galvanized steel for increased hardness and corrosion resistance. This pin, also known as a clevis pin or retaining clip, is ideal for various applications in mechanics, trailers, agriculture, and construction. Its versatile design makes it an essential tool for effectively securing components. Precise dimensions of 4 x 76 mm ensure a proper fit for multiple uses.

[View product online](#)**Description**

The 4 x 76 mm "R" pin is an essential component in various mechanical and fastening applications. Made of galvanized steel, this pin offers an optimal combination of hardness and corrosion resistance, making it a reliable choice for demanding environments. Its versatile design allows for use in a wide range of sectors, including mechanical engineering, agriculture, construction, and trailer manufacturing.

Also known as a clevis pin, beta pin, or retaining clip, the "R" pin is ideal for securing moving parts and ensuring the stability of structures.

Its easy installation and removal make it indispensable for professionals who require quick and effective solutions.

- **Dimensions:** 4 x 76 mm
- **Material:** Galvanized steel
- **Strength:** High hardness and rust protection
- **Uses:** Mechanics, trailers, agriculture, construction
- **Type:** Fork pin, beta pin, retaining clamps
- **Installation:** Quick and easy
- **Durability:** Designed to withstand harsh conditions
- **Versatility:** Suitable for multiple applications
- **Compatibility:** Ideal for fastening and retaining systems
- **Finish:** Galvanized surface for longevity

Specifications

High	1
Width	3
EAN	8435450437663
Manufacturer	AFT
Weight (kg)	0.016
Depth	8
