Description

The Wolfpack pressure washer nozzle is an essential accessory for optimizing the performance of your cleaning equipment. Designed to withstand demanding conditions, this nozzle offers a maximum pressure of 150 bar and an operating temperature of up to 60°C, making it an effective tool for removing dirt and stubborn stains from various surfaces. Its Quick-Connect system allows for fast and easy nozzle changes, facilitating adaptation to different cleaning tasks without complications. The precision turbo nozzle ensures a concentrated water jet, ideal for jobs requiring a more intense focus.

- **Maximum pressure:** 150 bar
- **Maximum temperature:** 60°C
- **Connection system:** Quick-Connect
- **Nozzle type:** Precision turbo
- **Material:** High resistance
- **Compatibility:** Wolfpack pressure washers
- **Recommended use:** Cleaning hard surfaces
- **Dimensions:** Compact and lightweight
- **Ease of use:** Quick nozzle change
- **Performance:** Effective at removing dirt

Specifications

High	4
Width	4
EAN	8435450458583
Manufacturer	AFT
Weight (kg)	0.078
