Description

The Extra Long Standard Carpenter's Pencil is an essential tool for carpentry, masonry, and construction professionals. Measuring 170 x 105 x 75 mm, this pencil is designed to provide precise and long-lasting marking on a variety of surfaces. Made from high-quality wood, its medium-hardness lead allows for optimal marking even on irregular surfaces, guaranteeing effective results every time. This product is ideal for jobs requiring precision, as it can mark on materials such as wood, concrete, cement, and drywall, thus facilitating work on various construction and remodeling projects.

Durability: High wear resistance

Design: Ergonomic for a better grip

Versatility: Ideal for multiple construction applications

The Extra Long Standard Carpenter's Pencil is a reliable tool that adapts to the needs of professionals in the sector, ensuring quality work on every project.
