Description

The Zinc-Plated Threaded Rod, M14 Thread, 1 Meter Length, is an essential component for various applications in home improvement projects. Made of high-quality steel with a zinc coating, this rod offers excellent corrosion resistance, ensuring greater durability and extending its lifespan. Its M14 thread design allows for easy integration into different assemblies and structures, making it ideal for DIY projects and home repairs.

- **Length:** 1 meter
- **Thread:** M14
- **Material:** Zinc-plated steel
- **Use:** Exclusively for domestic use
- **Type:** Continuous threaded rod
- **Resistance:** High corrosion resistance
- **Applications:** Ideal for DIY and repairs
- **Compatibility:** Fits various M14 nuts and fittings
- **Finish:** Smooth and uniform surface
- **Also known as:** Endless rod, continuous threaded rods

This product is a practical and efficient solution for those looking to carry out fixing and support work in their home improvement projects, ensuring optimal and long-lasting results.

Specifications

High	14
Width	2
EAN	8435450469213

Manufacturer	AFT
Weight (kg)	0.919
Depth	100
