### Description

The 60cm Airplane Wing Level Plus is an essential tool for professionals and DIY enthusiasts seeking precision and durability in their projects. Made with an aluminum alloy body, this level combines lightness and strength, making it an ideal partner for demanding jobs. Its magnetic design allows for easy attachment to metal surfaces, facilitating alignment and leveling in various applications.

Measuring 60cm, this level is perfect for both indoor and outdoor tasks. Its high impact resistance ensures long-lasting performance, even under harsh working conditions. Furthermore, it features an adjustable horizontal bubble level that guarantees greater accuracy, allowing for optimal results every time.

The epoxy coating not only provides extra protection against wear, but also gives it an outstanding aesthetic.

- Material: Aluminum alloy
- Length: 60 cm
- Type: Magnetic level
- Adjustable horizontal bubble level
- High impact resistance
- Epoxy coating for durability
- Lightweight and portable design
- Ideal for professional and DIY use
- Versatile for horizontal and vertical applications
- Easy attachment to metal surfaces
