Description

The "Vistula" door handle set is the perfect choice for those seeking a modern and elegant touch in their interior spaces. With a wave rosette design, these handles not only serve a practical function but also bring a contemporary style to any environment. Made of high-quality metal, they guarantee strength and durability, making them an ideal choice for everyday use.

The satin finish of the "Vistula" handles not only enhances their aesthetic appeal but also protects them against wear, ensuring they maintain their pristine appearance over time.

These handles are suitable for interior doors with a thickness ranging from 35 mm to 45 mm, making them versatile for different types of installations.
