Description

These disposable black nitrile gloves in size M, with a thickness of 5.5 grams, are a high-quality solution for hand protection in various applications. Made from 100% nitrile (acrylonitrile butadiene copolymer), these gloves offer remarkable strength and durability, making them a reliable choice for tasks requiring careful handling. Their ambidextrous design and elegant black color not only enhance their appearance but also ensure an anatomical fit that facilitates extended wear.

These gloves are powder-free, minimizing the risk of allergic reactions and making them especially suitable for people with type I allergies. The textured fingertips provide a secure grip, while the soft feel ensures comfort during use.

They also feature a reinforced cuff that adds an extra layer of protection.

- Material: 100% Nitrile
- Size: M
- Thickness: 5.5 grams
- Color: Black
- Design: Ambidextrous
- Powder-free
- Textured fingers for better grip
