T-8 swivel adapter elbow with 90° mechanical coupling

Brand: COFAN

Reference: COF 05040008-U

The T-8 Swivel Elbow Adapter is an accessory designed to facilitate connections at 90° angles. Its mechanical coupling ensures a safe and efficient installation. This product is ideal for applications requiring flexibility in flow direction. It is sold individually, allowing you to purchase the quantity needed for your project. Its robust design ensures durability and performance under various operating conditions.

Description

The T-8 Swivel Adapter Elbow is an essential component for pipe system installations, designed to facilitate changes in pipe direction. This elbow features a mechanical coupling that integrates efficiently into a 90° housing, allowing for a secure and stable connection. Its swivel design provides installation flexibility, adapting to various space configurations and specific project needs.

The T-8 Swivel Adapter Elbow is manufactured with high-quality materials, guaranteeing durability and resistance to adverse conditions.

Its optimized design minimizes pressure loss and improves fluid flow, making it an ideal choice for industrial and domestic applications.

- **Coupling Type:** Mechanical
- **Connection Angle:** 90°
- **Material:** High Strength
- **Orientability:** Adaptable to different configurations
- **Use:** Piping Systems
- **Applications:** Industrial and Domestic
- **Maximum Pressure:** Industry Standard
- **Dimensions:** Varies according to specifications
- **Installation:** Simple and Quick
- **Certifications:** Complies with current regulations

Specifications

Width	5
EAN	8445187408171
Manufacturer	COFAN
Weight (kg)	0,04
