Description

The R-3/4 female threaded hexagonal plug is an essential component for piping systems requiring a secure and efficient seal. Manufactured from high-quality materials, this plug is designed to offer excellent resistance to corrosion and harsh environmental conditions. Its hexagonal design allows for easy handling and simple installation, ensuring a perfect fit on GAS threaded connections. This plug is ideal for industrial, commercial, and domestic applications where a reliable seal is required.

- **Type:** Hex plug with female thread
- **Size:** R-3/4
- **Thread:** GAS threads
- **Material:** Stainless steel (or other specific material depending on the product)
- **Resistance:** High corrosion resistance
- **Applications:** Industrial, commercial, and domestic piping systems
- **Installation:** Easy installation with standard tools
- **Standards:** Meets quality and safety standards
- **Sales:** Individual unit
- **Use:** Secure closure of pipe connections

Specifications

Width	3
EAN	8445187410808
Manufacturer	COFAN
Weight (kg)	0,044
Thread	3/4"
