Description

The **Blue Polyester/PVC Rain Suit Size XXL** is a garment designed to offer maximum protection in demanding work environments. This suit, consisting of a jacket and trousers, features a triple-layer construction that guarantees complete waterproofing, thanks to its heat-sealed seams. Made of PVC and coated with polyester, this suit is ideal for use in various weather conditions, keeping the wearer dry and comfortable at all times.

Available in Navy Blue, Green, and Yellow, the suit adapts to the needs of different sectors, including mining, construction, industry, and agriculture.

Its functional and durable design makes it a reliable choice for those requiring protection against moisture and cold.

- Material: High-quality PVC and Polyester
- Waterproof: 100% thanks to heat-sealed seams
- Structure: Triple layer for greater resistance
- Available colors: Navy Blue, Green, and Yellow
- Sizes: M, L, XL, XXL, and XXXL
- Recommended use: Mining, construction, industry, and agriculture
- Excellent performance in various temperatures
- Jacket and pants included
- Ergonomic design for greater comfort
- Easy to clean and maintain

This suit is a practical and effective solution for those seeking protection and durability in their workwear.
